### Poster submission guidelines

The Institute for Cell Engineering is inviting researchers to submit proposals for posters for the upcoming ICE Fall Symposium. Please feel free to share this invitation with others.

All poster presenters are expected to be present during the poster session. If you would like to submit a poster, please e-mail the following information to Nikia Johnson before October 17, 2008 to reserve a position:

- > Your name, e-mail address, and current phone number
- > Title of your poster
- > Indicate if you are a Predoc or a Postdoc Fellow.
- > Indicate if you wish to be considered for a prize in the poster contest.
